

DRILL EXAMPLE #3

HYDRO POP QUIZ!

PLEASE WORK ALONE ON THIS!

Pretend it is early Sunday morning. Scott from the CNRFC calls from home. Hanford just called his pager, with a potential problem at Hidden Dam in their CWA. Scott needs some preliminary information, to help him decide if he needs to come in to the office or not. Please provide Scott with the following information on Hidden Dam so he can make his decision.

Dam ID#:

River:

Nearest Downstream Town:

Distance to town:

Travel Time:

County: FIPS Code:

Owner/Operator:

Height of Dam:

Storage/Volume of Reservoir:

Source(s) of information gathered for Scott:

NAME (YOURS): _____
